## Behaviour Principles for Riverview Cof E Primary and Nursery School

- Every child has the right to learn but no child has the right to disrupt the learning of others
- Everyone has a right to be listened to, to be valued, to feel and be safe.
- Everyone must be protected from disruption or abuse
- Riverview is an inclusive school; all members of the school community should be free from discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010
- It is expected that all adults – staff, volunteers and governors – will live out the schools values
- We seek to give every child a sense of personal responsibility for his/her own actions
- The school's Behaviour Policy will ensure that good behaviour is encouraged, self-discipline and respect fostered, and prevent all forms of bullying amongst pupils; it also provides the school's policy in relation to restrictive force
- Where there are significant concerns over a pupil's behaviour, the school will work with parents/ carers to strive for common strategies between home and school
- The school will seek advice and support from appropriate external agencies where concerns arise over a child's behaviour
- The school's Behaviour Policy will clearly reflect the school's approach to exclusions
- The school's Behaviour Policy will set out the disciplinary action that will be taken against pupils who are found to have made malicious accusations against school staff
- The school will fulfil its' legal duties under the Equality Act 2010 in respect of safeguarding, children with special educational needs and all vulnerable children
- The school will keep abreast of current issues and initiatives with regard to Health and Safety at Work Act 1974 and related regulations

*Riverview exists to love, challenge and inspire children and adults within a Christian community*
