Love, respect, trust, forgiveness, hope

At Riverview we believe that sporting activities and events have the potential to change young people's lives for the better and play an invaluable role in fulfilling our mission statement to, '*Cherish, Challenge and Inspire Children and Adults in a Christian Community*'.

What is the Sports Premium?

As part of the Olympic Legacy, the Government is providing £150m of funding for academic years 2013/14 and 2014/15 to provide new, substantial primary school sports funding. Jointly provided by the Departments for Education, Health and Culture and Media and Sport, the money is allocated directly to primary school head teachers to spend on improving the quality of sport and PE for all their children. The funding is ringfenced for sport and PE provision but schools will have the freedom to choose how it is spent.

In 2017 – 2018 the school received £17,710 for Sports Premium.

Amount carried forward from 2016 -17:£6,900

Accountability

From September 2013, schools will be held to account over how they spend their additional funding. Schools will also be required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January 2015. For the academic year 2017-18 schools with 17 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10 per pupil. Smaller schools will receive £500 per pupil.
