

Creating Success Together

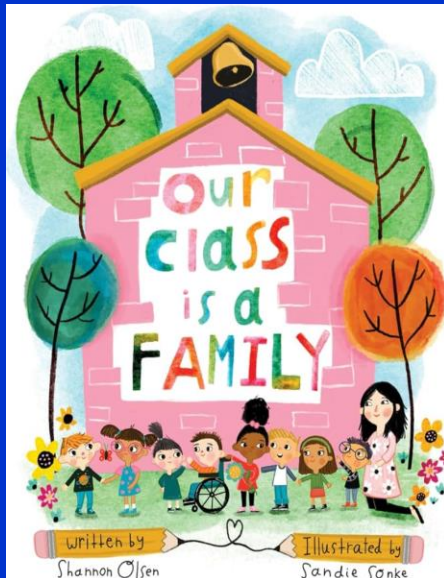

Making Every Moment Count

Our School Vision

"Every child matters, every moment counts".

What does it mean to be Rubies?

- "The adults are here to help us."
- "Everybody is friends."
- "Trying new things."
- "Sharing."
- "Calm places to go."

Why do we want your child to come to school?

You get to learn amazing things!

Every day you discover new ideas and skills that matter to you.

School can make you happy!

Fun lessons, games and good moments help you enjoy your day.

It helps your dreams come true!

What you learn now helps you become who you want to be one day.

It helps you make great friends!

You learn how to get along with others and be a good friend.

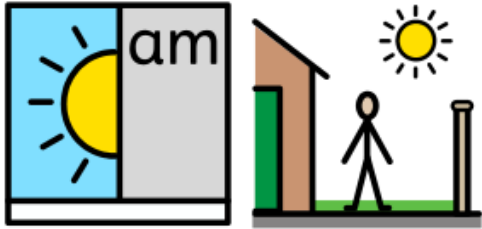

You learn how to help others!

School teaches you important skills so you can look after and help people.
