

RIVERVIEW C of E VA PRIMARY AND NURSERY SCHOOL SPORT PREMIUM REPORT 2016-17

Love, respect, trust, forgiveness, hope

At Riverview we believe that sporting activities and events have the potential to change young people's lives for the better and play an invaluable role in fulfilling our mission statement to, '*Cherish, Challenge and Inspire Children and Adults in a Christian Community*'.

What is the Sports Premium?

As part of the Olympic Legacy, the Government is providing £150m of funding for academic years 2013/14 and 2014/15 to provide new, substantial primary school sports funding. Jointly provided by the Departments for Education, Health and Culture and Media and Sport, the money is allocated directly to primary school head teachers to spend on improving the quality of sport and PE for all their children. The funding is ringfenced for sport and PE provision but schools will have the freedom to choose how it is spent.

In 2016 – 2017 the school received £8,855 for Sports Premium.

Carried forward from 2015 – 16: £6,770

Accountability

From September 2013, schools will be held to account over how they spend their additional funding. Schools will also be required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January 2015. For the academic year 2016-17 all schools with 17 or more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil.

Love, respect, trust, forgiveness, hope

Report on spending and impact for the academic year 2016-2017

Activities Selected	What this does	Cost	Impact
Sports Coach	Delivery of high quality PE lessons to years 2 to 6.	£6,480	Increased teacher knowledge and confidence in the teaching of Dance and Games. Staff are more able to deliver high quality PE
Jenny Mosley	Training for lunch time staff to support children's play during lunch and break times. Ideas for games/ activities.	£2376	Playground games and zones introduced and created opportunities for all children to continue to develop physically as well as develop key skills like turn taking and losing. This is beginning to foster resilience within the children. It also provides structure to lunchtimes which makes play more purposeful. This has impacted on the behaviour in the afternoons where children are more focused on learning. Golden rules introduced across the school to ensure consistency of feedback about personal development and behaviour. Circle time modelled by Jenny Mosley and enskilled all teachers to deliver quality circle time that meets the needs of all learners.
