### Pupil Premium 2019/ 2020

In 2019- 2020 the school will receive **£93,380 for Pupil Premium. 70 pupils** will benefit from this funding. This increases throughout the school year.

The main barriers faced by pupils eligible for Pupil Premium funding are complex social and emotional needs, low aspiration and academic resilience. This makes the challenges of the curriculum a barrier to raising outcomes, particularly at the end of key stage 2. 26.25% of children have SEND. 64.75% have social and emotional needs.

Our Pupil Premium Strategy will be reviewed termly, where appropriate with a final review in September 2020.

Our funding will be used for:
