Information for parents: in the event of school closure
PLEASE KEEP IN A SAFE PLACE

Dear Parents/Carers,

As you will be aware, the Coronavirus is very much at the top of the news currently - including various countries responses to the outbreak.

As a school, we follow information and guidance given to us through Public Health UK and the Department for Education. Should they direct schools to close we will be required to follow that direction. Therefore, we would like to make it clear now what would happen in such a situation; so that we are all prepared if it does happen. **Currently, we have had no instruction to close. If we do, we will inform you.**

In the event of a school closure:

- If you have any questions please send these to info@riverview.surrey.sch.uk , a monitored email address.
- Parents would be responsible for ensuring they and their families followed the guidelines and directions from the government and Public Health UK during this time.
- **ParentMail** / school website/ Facebook will provide daily updates. **Parents are responsible for ensuring that their details on ParentMail are up to date. Please check.**
- In case of emergencies, Mrs Atkins can be contacted via the school mobile. This number is 07716701151

During this difficult time, we hope that we can continue to work together and support each other. The children continue to enjoy learning and not be too concerned about current events. We would like this to continue so that we can all learn from this and rise to challenges. We will continue to communicate with you when we have up to date information. If you have any questions or queries, please contact us. Thank you for your continued support to the school.

Yours sincerely

Mrs M Atkins
Headteacher
