RIVERVIEW CURRICULUM

Dear Parents/Carers,

It has been fantastic to see the children enjoying being back at school and showing such a keen interest in the learning that their teachers have planned.

I would like to take this opportunity to bring your attention to the learning characters that staff and children refer to throughout the school day. It would be great if you could talk through the learning characters (see below) with your child at home.

Immie  Iguana	Keep improving – review, identify improvements, try and be better than the last time, draw diagrams, jot down thoughts or things which help you to think	Cathy Caterpillar 	Concentration – managing distractions, plan and think it through
Terrance Tortoise 	Keep on trying – work hard, keep going, ask for help, practise, find another way, start again	Milo and Millie Meerkats 	Co-operation – listen, share your ideas, be kind when you disagree, work together, join in
Hector Hedgehog 	Have a go – learn from your mistakes, be excited to try new things, don't worry	Colin Crab 	Be curious – ask questions, notice things, think of possibilities, research
 Elsa Elephant	Enjoy learning- use what you have learnt, be excited, by your achievements, identify your imaginative strengths, know you can do it, use what you have learnt in real life	Sita Squirrel 	Be imaginative – be creative, think of new ideas

Riverview exists to love, cherish and inspire children and adults within a Christian community

Please encourage your child to use these learning characters when completing their home learning, which is set on Google Classroom.

As mentioned above, homework will be set and submitted on Google Classroom. Please speak to your child's class teacher if you are having any difficulties with this.

Teachers will also use Google Classroom to set learning if your child is absent from school or needs to self-isolate.

Thank you for your continued support.

Mrs. V Botley (Curriculum Lead)
