23rd April 2014

Dear Parents and Carers,

As you are aware Riverview received an Ofsted inspection on Thursday 27th and Friday 28th March 2014.

I am pleased to attach a copy of the report with this letter. The inspection found that Riverview is a **good** school. On page one, you will find a summary of the full report. Please take the time to read this so that you know why we are a good school and what our next steps are to get even better.

I believe that the inspectors really took the time to get to know Riverview and feel that the report is a fair and accurate account of our school. It shows that we work together to ensure that the children achieve well and that the children are proud of their school.

Thank you to all those parents that completed the online questionnaire. I would also like to take this opportunity to thank the staff and the Governors for the fantastic job that they do for the children of Riverview. I look forward to continuing to work with everyone within our community to ensure that all children are cherished, challenged and inspired by what we do here.
