

13th November 2020

Dear Parents & Carers,

Thank you for your immense efforts today for Children in Need. There were certainly many laughs and smiles, particularly at Pudsey falling over behind me in assembly! So far, we have raised £201. There is still time to donate this evening via ParentMail- every little bit helps.

This week

- Our new topics are well underway. The children are enjoying their new learning
- Thank you Emerald Class for your support of Mr Bashford this week whilst Miss Atkinson isolates. He has described his week as 'a pleasure' which is wonderful to hear
- You will have received a link to the latest government guidance for parents today. There are not many changes that currently impact on life at Riverview.
- Attendance has been on average 92% this week
- The temperature in the building has been changeable due to the changing temperatures outside. When it is colder, please ensure that your child has a school jumper
- A fleece can be worn in school, **over a jumper, IF your child has a coat for outdoors**. Currently, the children do not need to wear their coat indoors as the heating is not on its' highest setting
- We are still using the field so that the infant and junior bubbles are separate. Please make sure that your child has suitable footwear
- 10 children have volunteered to say something about Riverview for our school film. We will be rehearsing next week. One parent is also taking part in our filming. If there is another parent who would like to promote the school, please let me know

Next week

- There will be filming in school throughout the week. Please ensure that your child is in correct school uniform
- Classes that have PE on Friday (Rubies/Emeralds/ Opals/ Golds) will have PE on a different day so the children will need to be in **school uniform**. We will send a ParentMail out to remind classes

Riverview exists to love, challenge and inspire children and adults within a Christian community

- It is Road Safety Week. Each class will be learning about how to keep themselves safe
- Nativity rehearsals will be underway. Thank you for the costumes that have already come in. It is lovely that we can still do this in some way

Please see a message below from the Governing Body.

The governors would like to say a big thank you to parents and carers for the way you have supported the school this term. In particular for your cooperation in working with new routines, keeping up to date with requirements as they change and in keeping socially distanced both within and outside school grounds. Please keep up the good work.

Keep safe and well.

Mrs M Atkins
