# Safety

- All PGL centres have been approved and awarded the Learning Outside the Classroom Quality Badge
- Extensive risk assessments are carried out by PGL and by ourselves.

# Risk of terrorism

Current advice from Surrey:

- This does not mean, however, that trips and visits to major tourist destinations abroad or even in the UK should be cancelled or curtailed. The current global situation means that the possibility of being close to, or caught up in, a terrorist attack is a risk faced by us all. Like all risks this needs to be kept in perspective and managed in a thoughtful and proportionate way.

Any questions?
