

Thrive activities – Week 2

Useful for parents of children up to 11 years old

Parents and carers can support and acknowledge children's emerging values and morals and individual ways of doing things. Parents can teach children the significance of rules and regulations and support them to develop their negotiation skills. Children enjoy sharing their options and using their skills.

We have put together some daily activities to support social and emotional development at through the arts, play and creativity.

Monday	Watch ' <u>Your Secret Treehouse</u> ' for a guided meditation and session. https://www.youtube.com/watch?v=DWOHcGF1Tmc
Tuesday	Write a kind note to your neighbour.
Wednesday	Play a board game with the people in your house.
Thursday	Learn a new skill and teach it to everyone in your house – what is your new skill?
Friday	Find your favourite songs and all do karaoke
Saturday	Lie in the garden and see what shapes you can make with the clouds.
Sunday	Think about some rules you can all have in your house.
