

Friday 12<sup>th</sup> March 2021

Dear Parents and Carers,

Thank you everyone for supporting a successful start to re-opening. All parents have worked hard to support the re-introduction of routines within school. The children have settled in well and are enjoying learning together, once again.

### This week

- The average attendance for this week has been 97%. Sapphire Class won our weekly attendance award with 100% attendance
- Many children have shown resilience with getting on with their learning straight away and independently
- Our new school pets, the degus, have provided much fun for the children and many of the juniors have volunteered to clean the cage out. This is supervised by Hayley
- Indy, the reading dog has returned. Some children take it in turns to read to Indy who loves a book!
- The children have adapted well to the slight changes that we have made in school for our return.
- Thank you to those who participated in World Book Day. It brought much fun and laughter to the end of the our first week together

### Next week

- Please continue to keep to the measures that we have in place so that we remain Covid safe
- 08:30 Club will be starting for some children. Teachers have sent out letters informing parents
- Red Nose Day is on **Friday 19<sup>th</sup> March**. The noses are available in the front playground from the office.
- On Friday, children are welcome to come **dressed in red**

Thank you once again for your continued support.

**Mrs M Atkins**  
Headteacher

Riverview exists to love, challenge and inspire children and adults within a Christian community
