

Friday 19<sup>th</sup> March 2021

Dear Parents and Carers,

A different week in school where we assessed the children to see where they are with their learning and if they have any gaps. Many children rose to this challenge really well.

### This week

- The average attendance for this week has been 97% again.
- We are reviewing the reading books that the children are on to ensure that they are able to continue to develop as readers. **Please ensure that your child is reading every day, at home. Their reading record and book must be in school everyday**
- We sold **160 Red Noses this year**. Although we could not fundraise in the ways that we have done in the past, it is some effort towards helping and showing love to others
- You may have heard in the news that there is talk of summer school for children. No guidance or information has come out about this. When we know, we will inform you
- To date, we have not closed a 'bubble' because of Covid. This is an incredible team achievement. Thank you parents for maintaining our measures to keep us all safe.

### Next week

- Please continue to keep to the measures that we have in place so that we remain Covid safe. Parents are asked not to hang around the school gate so that there are no 'gatherings'
- 08:30 Club will continue. Please ensure that your child is in the front playground at **08:25** so they can start at 8:30.
- Next week, we are receiving a delivery of some laptops. These are for families that struggled to access remote education, at home. If you used a phone or shared a device, please come and talk to Mrs Atkins

The last day of term is **Thursday 1<sup>st</sup> April**. Home time will be as follows

EYFS/ KS1 ( Diamonds, Rubies, Silvers)	1330
Siblings ( brothers and sisters in both key stages)	1335
KS2 ( Sapphires, Emeralds, Opals, Golds)	1340

Mrs M Atkins  
Headteacher
