

## Riverview C of E Primary School Sports Premium Report 2015 – 2016

**At Riverview we believe that sporting activities and events have the potential to change young people's lives for the better and play an invaluable role in fulfilling our mission statement to, 'Cherish, Challenge and Inspire Children and Adults in a Christian Community'.**

### What is the Sports Premium?

As part of the Olympic Legacy, the Government is providing £150m of funding for academic years 2013/14 and 2014/15 to provide new, substantial primary school sports funding. Jointly provided by the Departments for Education, Health and Culture and Media and Sport, the money is allocated directly to primary school head teachers to spend on improving the quality of sport and PE for all their children. The funding is ringfenced for sport and PE provision but schools will have the freedom to choose how it is spent.

### Accountability

From September 2013, schools will be held to account over how they spend their additional funding. Schools will also be required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January 2015. All schools with 17 or more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil. Smaller schools will receive £500 per pupil.

The money is allocated in two payments, one in September 2015 and one in April 2016.

### How will Riverview spend the Sports Premium money?

During 2015 -2016 Riverview has a budget of £18,795.00

Amount carried forward from 2014-15	£9950.00 (£3917.00 carried forward from 2013-14)
Amount awarded in 2015	£8845.00

The school has planned to use this funding in a variety of ways including:

- Introducing new behaviour systems that promote values, wellbeing and self esteem
- Develop the playground experience using INSET ideas from Jenny Mosley
- Introduce 'circle time' for children to discuss their emotional wellbeing and develop restorative approaches to friendship issues
- Improving and developing the teaching of PE across the school.
- To maintain level of participation in extra curricular sports clubs, in particular to promote a school cricket and netball club.
- The purchase of new PE equipment, including new sports kit for athletics team

### Report on spending and impact for the academic year 2015-2016

Focus	Action	Cost	Impact
Improving the quality of teaching and learning in PE	During Autumn and Spring Term, sports coaches to deliver Games and Dance alongside school	£5400	Increased teacher knowledge and confidence in the teaching of Dance and Games. Staff are more able to deliver high quality PE

	teaching staff.		
Maintain level of participation in Cricket Club.	Subsidise after school Cricket club with external provider.	£1,170	
Gymnastics Coach Netball Club fees	Subsidise after school Gymnastics coach with external provider.	£720 £170	
The purchase of new equipment to support PE teaching and healthy lifestyles across the school.	Lock for secure storage of PE equipment. Football bibs, footballs and pop up goal. Resources for Dining Hall	£527.01 £83.26 £105.46	Children will have the necessary equipment to complete the sport in question. Teachers will be able to deliver more effective sessions and put into practice CPD. Healthy lifestyle promotion enables children to begin to make the right choices about food.
INSET	Jenny Mosley	£3160.00	Playground games and zones introduced and created opportunities for all children to continue to develop physically as well as develop key skills like turn taking and losing. This is beginning to foster resilience within the children. It also provides structure to lunchtimes which makes play more purposeful. This has impacted on the behaviour in the afternoons where children are more focused on learning. Golden rules introduced across the school to ensure consistency of feedback about personal development and behaviour. Circle time modelled by Jenny Mosley and enskilled all teachers to deliver quality circle time that meets the needs of all learners.
New Sports Day	Stickers	£46.62	New structure for sports day increasing involvement of all children.
Swimming	Extra support needed	£888.75	Proportion of children unable to swim higher than usual so extra swimming coach employed.
<b>TOTAL</b>			<b>£12,194.20</b>

Amount to be carried forward into 2016-2017: £6,600.20
