This week

Welcome back. I hope everyone enjoyed the Easter holidays with a mixture of sun and snow! The children are excited to be back and are eager to begin their learning. We have had a positive start to the Summer term.

- We seem to be short on Reading Record books. Please could you hunt at home and send them to school with your child on Monday
- The Rev. Fiona Ellingham came to visit the children again yesterday. She is keen to build close relations between Ruxley Church and Riverview. Attached to this newsletter is a form she thought you may like to complete as a family entitled 'Our family pandemic experience'
- On average our attendance has been around 95% most days this week
- The 'Big Ask' is back. This is the largest ever survey of children in England, designed to find out what their concerns and aspirations about the future are. The information you provide will be used to show the government what you think, and what children need to live happier lives. Please click on the following link to complete the form.

Next week

- Please ensure you keep your child's dinner money up-to-date and remember to let the office know at the latest by Friday the previous week if your child is changing from school dinners to packed lunches of vice versa
- Please carry on to social distance in the playground and ensure you are prompt at your child's drop-off and pick-up times
- As we continue with the Government's roadmap out of lockdown, we would like to remind you that our school registers close at 9.15am. If your child is unavoidably late they will receive an 'L' code in the register after this time. If your child is later than 9.30am they will receive a 'U' code – this means that the whole morning session will be unauthorised.
- As you know we are moving to a new uniform supplier after May half-term. As a result we will be having a sale of the stock we currently hold in school to make for a smoother transition. It will be available to purchase on ParentMail at the end of next week.
