Dear Parent / Carer

Statutory Inspection of Anglican & Methodist Schools SIAMS

It is my pleasure to commend to you the SIAMS report for the school your child/children attend. All Church of England schools are inspected under statute as set out in Section 48 of the Education Act 2005.

A SIAMS inspection takes place within five years of the last inspection. The inspection is designed to assess four key aspects of effectiveness as a Church school:

Meeting the needs of all learners Collective Worship Religious Education Leadership and Management

The grades are: outstanding; good; satisfactory; inadequate.

The school has been judged to be Good.

The quality of the educational experience of the learners and the standards achieved is at the heart of the inspection process.

I hope you find this report valuable in understanding how effective the school is as a Church of England school, what it does well and how it can further improve.

Yours sincerely

Canon Derek Holbird
Diocesan Director of Education

We are very pleased with the judgement and it is good to see that the school community has been recognised how strong relationships are. We look forward to building upon this successful report and building upon the areas for improvement.
