RUBY CLASS - THE HOGSMILL RIVER

THE HOGSMILL RIVER - FRIDAY 14th MAY 2021

We are really excited to be going on our first trip as Ruby Class. Our topic this term is: *'The human and physical geography of a small local area'*.

To support the learning during our topic, we have planned a visit to The Hogsmill River (West Ewell) not too far away from school. The trip will take place on **Friday 14th May 2021**.

We will be leaving school as a class around 1:00pm and returning by the end of the school day. While the class is walking towards the Hogsmill River, the children will have the opportunity to look at the physical and human features nearby. They will also stop by the river to look and record any animals that they can see. The children will have the chance to develop their observational skills; follow and record directions to and from the river; explore the local area and have a small picnic in the nearby field. It would be great if you could join us for this trip, as the children will be able to share their learning with you and it will be a great afternoon out.

Children will need to be in **warm, old clothes** for this trip and **must have** their **Riverview jumper** on. They will need to have a pair of **wellington boots** to change into before the trip.

Please put the boots in a **named bag**.

Children should bring a **waterproof coat** with them just in case!

Children will also need to **bring a small, healthy picnic snack** (no nuts, glass bottles or fizzy drinks).

Please do not hesitate to contact us if you have any questions.

Miss Lei and Mrs. Botley

Please complete by FRIDAY 10th MAY

I give permission for my child to attend the trip to the Hogsmill
