YEAR 6 UPDATE

Firstly, I wanted to let you know how proud I am of your child. All of the children in Gold Class have been working incredibly hard.

I would also like to thank you for your support with our running of split break. As I discussed with many of you during Time for Talk, this is being used to support the children in having a successful end to their journey at Primary School and prepare them for September.

Despite the Government cancelling standardised testing this year, as a school we will be continuing with our assessments and completing our own **SATs week the week commencing 7th June 2021**. These assessments will be used to measure progress within the school as well as inform your child's secondary school.

The assessments will take place **between Monday - Thursday of the first week back**, with the aim for us to have a day to celebrate their efforts on the Friday. We would be grateful if your child could **arrive on time, having had breakfast and with a water bottle**.

On **Friday 11th June**, children are able to come to school in their **pyjamas**. We would like to watch a film on this day and would be grateful if you could give **permission** for your child to watch **PG films**.

Thank you for your continued support and enjoy half term - hopefully in the sunshine!
