## This week:

- The children were pleased to end the half-term with a MUFTI arranged by the PTA wearing whatever makes them feel happy. If you have not done so already, please could you make your £2.00 donation through ParentMail.
- Gold Class were visited by representatives of the charity 'Guide Dogs for the Blind'.
- As part of their topic on maps and using their sketch maps of the local area, Opal Class visited Aldi where they bought ingredients in preparation for their science learning on reversible and irreversible changes.
- Reception to Gold Class all completed designs for the Royal Mail's 'Heroes for Stamp Competition'.
- The average attendance for this week was 96.1%.
- We are very proud that we have still not needed to close a bubble from the start of the lockdown last year.
- Please make sure your child's school dinner account is paid up-to-date. Dinner accounts should be topped up each week so that they do not fall into arrears.
- A number of children have been bringing 'Poppits' into school and the majority have used them respectfully. However, this week some children have not been so kind with them so I would ask parents that they are **not brought** into school after half-term.
- Thank you to those parents offering to come and talk to the children about their jobs during our Careers' Week in July. Mrs Botley will be in contact after half-term.
- Please see the attached Procedures & Protocols for COVID19 during the half-term.
- **Monday 31<sup>st</sup> May – Friday 4<sup>th</sup> June – HALF-TERM.**

## Next school week:

- Children **return** to school on **Monday 7<sup>th</sup> June**. We will continue with our current protective measures so please remember to social distance in the playground, wear your masks and be prompt at your child's drop off and pick up times.
- Emerald Class have their first session with Watts Gallery
- Parents of **Opal Class** are invited to join us for their **assembly** at **0915** on **Thursday 10<sup>th</sup> June**. Please wait in the playground until collected by a member of staff. Please complete a '**Test & Trace**' form which you will find on each chair in the hall.
- We are now **live** with our new uniform supplier, **Mapac**. Please see the attached note on how to order your child's school uniform. (Mapac is your first point of contact, although you may be directed back to ParentMail for some items until we have sold our current supply.)

Once again, thank you. Your support throughout this half term and year have made the changes that we need to implement much easier.
