11<sup>th</sup> June 2021

Dear Parents and Carers,

## **This week:**

**Welcome back** and finally the sun is out. The children have had more opportunities to learn outside and enjoy our field.

Thank you for taking the time to look at our new website and provide feedback. We will be updating it each week - please go to the **HOME PAGE** and see the **WEEKLY UPDATES** box at the bottom.

- Opals led an assembly this week which was all about 'The Lion, The Witch and the Wardrobe'. One of our topics that links well to RE.
- It is good to see that many children are ready for the sun. Children are welcome to bring in a named hat to wear. We do not encourage the children to wear sunglasses as they are a health & safety hazard when they are running and playing.
- All classes have started their new topics. Curriculum maps for each year group can be found on the website.
- Gold Class have started rehearsing for their production. How this is organised for parents is dependent on the Government guidelines. It will not be like previous years and parents could be restricted to one ticket per family.
- In assembly this half-term we are learning about **HOPE**. Please have a look at our website for some suggestions as to what you can talk about at home.
- Class photo proofs came home this week (Pearls you will get yours on Monday). Orders can be placed **directly** with **Braiswick online**, or by returning your proof card together with the correct payment to the office by **Monday 21<sup>st</sup> June**.
- Attendance this week has been 95.15%.

## **Covid 19**

As you may know, the Delta variant is spreading. Unfortunately, figures in Epsom and Ewell of **reported Covid cases are increasing daily.**

All parents and carers have continued to work with the school and be incredibly supportive of keeping our protective measures in place. Please continue to do this- socially distanced, face masks, leaving the school site straight away and keeping to the drop off and pick up times.

## **Next week:**

- We look forward to welcoming Ruby Class parents to their class assembly. In current times, we would ask that 1 parent attends the assembly so that we can accommodate everyone and remain appropriately socially distanced.
- Children must have a bottle of water (**just water**) in school every day. They do have opportunities to refill their bottles.
- Sun cream should be applied before the children come to school. Please see our Sun Safety Policy on the website for further information.

**Mrs Atkins**
