18th June 2021

Dear Parents and Carers,

This week:

The sun was out for some of the time! The children had more opportunities to learn outside and enjoy our field. Gazebos have been placed on the field for shade with the children (and Tara) enjoy having the sprinkler on at lunchtimes.

- On Thursday, Ruby Class led their assembly on 'Animals'. It was good to once again see so many parents in school to watch their children, and they did so well remembering their lines and their songs. Well done Rubies!
- Orders for class photos can be placed **directly** with **Braiswick online**, or by returning your proof card together with the correct payment to the office by **0900 Monday 21st June**.
- Attendance this week has been 96.85% across the school.
- The Local Authority organised a two day 'Teaching and Learning' review this week. There are many strengths for the school which we should be proud of. One important comment was that the children 'were a delight'. Our visitors felt that all children are proud of their school and their learning. There are always next steps which we knew and are working on.

Next week:

- On Wednesday, KS1 & KS2 will be taking part in a live story tellers' event via Zoom. **All** children will be given a **FREE** book to bring home and keep. Children must have a bottle of water (**just water**) in school every day. They do have opportunities to refill their bottles.
- Sun cream should be applied **before** the children come to school. Please see our Sun Safety Policy on the website for further information.
- The Glyn Open Evening for Year 7 entry has been **postponed** from Thursday 8 July to **Thursday 16 September 2021**. This may change due to future Government guidance.

Covid 19- Lockdown Extended until 19th July

As a result of the Government announcement that lockdown will be extended, sadly we need to **change our plans for the summer.**

Sports Day – this will go ahead with the children. Parents are not able to attend. Photos will be on our new website in our weekly news.

KS2 Production – parents will not be able to attend any performances. We will record the production and share it on Google Classroom.

Gold Class Leavers Service- We will review this nearer the time. We had planned to hold the service at Ruxley Church and need to discuss this further with Reverend Fiona.

I am sorry that we cannot be together as a community and know that many of you will be saddened. Let's hope by continuing to work together there will be a time that we can do this again.
