Twelve15 – URGENT

From 1st November 2021 our caterers, Twelve15, will **NOT** be able to provide your child with a school dinner **if** they have an **allergy** or **special** diet (such as vegetarian, halal etc) **UNLESS** you have completed the application form on the **link below**. The school and catering staff will then be advised of the correct diet for your child. If your child requires a special diet it is important that you complete this **even if your child currently has a packed lunch**.

Our value for this half-term
is
HOPE

Be Prepared!

Please make you sure your child has everything they need when they arrive at school in the morning.

- Coat
- Outdoor shoes
- Sweatshirt
- Book bag
- Water bottle
- Packed lunch

It is not always convenient for the office staff to come and collect these if they are dealing with a sick child or on the telephone which may result in you having to wait until they are free.

Time for Talk

A number of parents have already booked appointments to speak with their child's teachers.

If you indicated you would like a telephone appointment, this will take place on **Google Meets**.

Although appointment times are shown in 15 minute slots, each appointment will only last for **10 minutes**.

** SQUID GAMES **

It has come to our attention that some of the children in Opals and Golds have started watching a new drama series on Netflix called 'Squid Games'. Some of the content is not suitable for their age group – the rating is for children of 15+. Please make sure that your children do not have access to this programme.

Phonics Session

On Wednesday we were pleased to welcome **39 parents** from Diamonds through to Sapphires who joined us to watch a **phonics session** in the classroom. We hope that you found this helpful and that it will give you some ideas of how to help your child at home.

We thank you for your **continued support**.

Mapac

We have received a number of complaints from parents who are still waiting for uniform orders to be fulfilled. We have been in contact with Mapac who apologise for the delay which is due in turn to their suppliers. They assure us the orders will be completed as soon as they receive the items. If you would like an update on your order you can email tracking@mapac.net.

Diamond Class

In Diamond class we made teddy bear biscuits on Teddy Day!

Harvest Festival

Emerald Class are leading our Harvest Festival at Ruxley Church on Thursday 14th October. The service will take place at 1000 and you are welcome to join us to celebrate.

Please see the attached list of suggested items for your child to donate.
