School Bus				
Other				
Total no. of respondents				

<u>Bike count, 2020</u>	<u>Vehicle count, 2020</u>
How many bikes and scooters are usually stored in school, for both pupil and staff/visitors?	How many staff vehicles are usually parked in the school car park?
16 pupil bikes and up to 4 staff bikes 23 scooters	22 staff cars

...

Our current situation, with regard to the issues identified in the travel plan

- 1 Parental parking around the school can be inconsiderate, blocking driveways and parking on the school zig zags along with on the verges.
- 2 There are many short journeys to the school from the estate, thus increasing congestion in Riverview Road. This can result in pupils crossing between parked cars and reduced visibility.
- 3 The footpath that runs alongside the school is maintained by Highways at Surrey County Council. Reports suggest that the street light are not always working, graffiti on the walls is often offensive and no gritting of the path in icy conditions.

3. ADDITIONAL IDEAS (NOT INCLUDED IN TP) WE WILL IMPLEMENT DURING THE NEXT YEAR

- Parents must park considerately at all times
- Updated drop off and pick up times implemented following new school week
-

- the school gate is open at 07.45am for Breakfast Club drop off
- the school gate is open 8.10 for 08.15 club
- the school gate is open at 8.25 for rest of school Monday to Friday
- the school gate is open at 15.00 Monday and Tuesday for Nursery and midday on Wednesday
- the school gate is open at 15.30 for rest of the school Mon – Thurs and 13.15 on Fridays

4. TARGETS FOR THE FOLLOWING YEAR 2020-2021

(These should follow the same format as the targets in your school travel plan.)

Increase all children walking to school who live on the estate.

Encourage more parents to park and stride to reduce traffic and parking congestion in Riverview Road

Reduce complaints received by the school regarding inconsiderate parking

During this academic year 2022, we will continue:

- to ensure parking is regularly mentioned in our newsletter
- Walk to school week termly. Incentives for the children
- Yr2 scooter training. To be investigated
- Bike ability training for Yrs 5 and 6. To be investigated
- Pedestrian training for all children.
-

TARGETS FOR THE FOLLOWING YEAR 2021-2022

(These should follow the same format as the targets in your school travel plan.)

Raise the benefits of walking to school through active participation and focus activities in school

During this academic year 2022/2023 we will continue:

- to ensure parking is regularly mentioned in our newsletter
- assemblies once a term highlighting parking, road safety
- Introduce walk to school week termly.
- Investigate Yr2 scooter training.
- Investigate Bike ability training for Yrs 5 and 6.
- Pedestrian training for all years.
- Participation in the annual Golden Boot Challenge.

Next Annual Review of Travel Plan – September 23
